Brick Pond Wetland Preserve

This pond, on East Front Street in Owego, comprises 30 acres of open water, emergent plants and a wet woods. By donating to the "Critter Trust" you help protect the wildlife and trails here.

From Rt. 17, take exit 65 to 17C west toward Owego for approximately 1 mile. Turn right on East Front Street. A parking area is a few blocks on the right.

Apalachin Marsh

This marsh is home to many species of waterfowl, shorebirds, songbirds and mammals.

Enter 1/2 mile west of Hilton Road. Park on north side of Rt. 434, walk through opening in fence under Rt. 17.

Hiawatha Island and Riverfront Park

This 112 acre island rests in the Susquehanna River between Owego and Apalachin. The island has a rich history, and remnants of a hotel and farm building are visible.

From Rt. 17, take exit 66 and follow the signs to Rt. 434. Turn right onto Rt. 434 for 3.7 miles. Turn right on west end of Marshland Road. Take third driveway on the left.

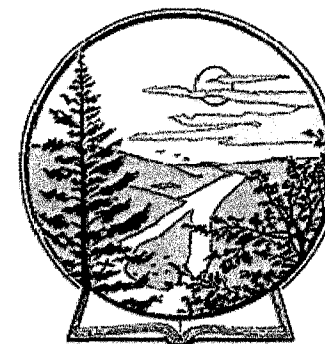

The Critter Trust

What is the Critter Trust?

If you enjoy hiking at these sites help preserve them. The Critter Trust is a fund designed to help preserve the Brick Pond site. Interest Earned on the Critter Trust supports both the wildlife and trail maintenance of the Brick Pond site. All donations are tax deductible. For more information, contact the Waterman Center.
